[Verse 1]

```
E                    B          F#m7
What would you think if I sang    out of tune
                             B7          E
Would you stand up and walk  out on me
E                 B              F#m7
Lend me your ears and I'll sing    you a song
                          B7          E
And I'll try not to sing  out of key
```

[Chorus]

*harm.

```
            D                   A            E

Hmm, I get high with a little help from my friends
                A                                E  B
Hmm, going to try with a little help from my friends
```

[Verse 2]

```
E           B             F#m7
What do I do when my love    is away
                      B7       E
Does it worry you to be alone?
```

```
E              B           F#m7
How do I feel by the end    of the day
                            B7          E
Are you sad because you're on your own?
```

E               B              F#m7
